

dataclass::read4t\_data

```
graph LR; A[dataclass::read4t_data] --> B[mpistub::mpi_comm_rank]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'dataclass::read4t\_data'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mpistub::mpi\_comm\_rank'. Both boxes have a black border.

mpistub::mpi\_comm\_rank
