

test2.test

```
graph BT; A[test2.inherit] --> B[test2.test];
```

A diagram illustrating a relationship between two identifiers. At the bottom is a white rectangular box with a black border containing the text 'test2.inherit'. A vertical blue arrow points upwards from the top center of this box to the bottom center of a second box above it. The second box is gray with a black border and contains the text 'test2.test'.

test2.inherit
