

dataclass::read1_data

```
graph LR; A[dataclass::read1_data] --> B[mpistub::mpi_comm_rank]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'dataclass::read1_data'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mpistub::mpi_comm_rank'. Both boxes have a black border.

mpistub::mpi_comm_rank
